## PRV & Flow Meter Installation at Ruttleys Rd Mannering Park

Contract Value: \$201,250

Final Value: \$216,895

Client: Central Coast Council

Client Contact: Karl Jones

Works involved the installation of a PRV and Flow Meter onto an existing water feed to Delta Electricity.

Preparation included tree stump removal, removal of 20m of existing DN300 AC pipe and demolition of redundant pit.

Construction of a new pipe arrangement (including thrust blocks), concrete hardstand around pipework, DGB20 access and installation of surrounding palisade fencing was then performed.

The project was completed in February, 2024.
